

Statement of Commitment to Child Safety

At Altar Church, we are committed to ensuring the safety and well-being of all children and young people who engage with our community.

We believe every child is precious and deserves to grow, learn, and worship in a safe, nurturing, and inclusive environment where they are protected from harm.

As a church, we:

- **Affirm the inherent value and dignity of every child and young person, recognizing their right to feel safe, respected, and valued.**
- **Commit to upholding robust child safety policies, practices, and standards that comply with all relevant laws and best practices.**
- **Ensure our leaders, staff, and volunteers are screened, trained, and equipped to uphold their responsibilities in protecting children and fostering a culture of safety.**
- **Listen to children and young people, valuing their voices and empowering them to speak up about their experiences, concerns, and ideas.**
- **Act promptly, compassionately, and appropriately in response to any reports or suspicions of harm or misconduct, ensuring accountability and justice.**
- **Strive to continually improve our practices and build a culture of safety and transparency.**
- **We hold ourselves accountable to these commitments and invite every member of the Altar Church community to join us in creating an environment where children can thrive spiritually, emotionally, and physically.**
